

AKIHITO YOSHITOMI

Is Everyone's first impression of him that of a mountain temple monk? But this man, he is unexpectedly foul... Everytime you discuss drawings with him, you get the impression that he's a fiendishly good artist that can create anything on a piece of blank paper with nothing but the pencil in his right hand. Maybe it's because of that that the editor can't be a step away from the author. Seno'o truly is a base to editors. (Dr. Someya)

ACT-60 SPY

The thief was
one Bourke
called Bolt
Crunk.

147
minutes
the mainframe
computer of
the Central
Defense Agency
was stolen.

The incident
is linked to
ARAMU's
underground
organization.

We have
sent an
operative
for
infiltration.

Our agents
have already
confirmed
their base
of operation
for this.

we must take
the computer
back before
they are out
of the country.

But... he is
the one called
the World's
Greatest
Explorer...

Armed's
group of
spies
is it...

to think that
they are reduced
to having
explorers.

We weren't
a match for
him, et al.

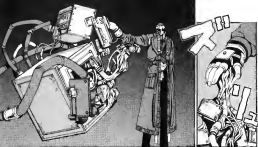

He is an
employer
known to
accept jobs of
manslaughter.

Arana has
hired one
other employer
besides Bolt...
his partner...

I just started working here a while ago.
I don't have a place to stay yet.

hey...
you wanna sleep with me?

No, thank you.

If you let me stay, I can make you breakfast.

You're sleeping at that factory, right?

You sure are a fine worker.

But I'd take your offer.

Oh... really?

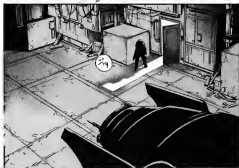

He's a strange guy that doesn't eat nor sleep with women. Wholly a useless fellow.

1000

His my
husband,

He is just
here to see
me.

Save him..
Let him go..

Stop
pretend-
ing.

That man
is this
country's
secret
agent.

Don't
shoot!

And so
are YOU!

Although I do
only kill the
unforgivables

and **THAT**, is
unforgivable.

If this man
dies, you'd feel
sad, wouldn't
you...

Sorry,
but I'm an
explorer that
doesn't mind
killing —

Geop—

— please
forgive
me,
Sofia.

Arena is a
fugal land.
I don't like it.

Plus this part
just isn't coming
off; what a
borker.

The agency is
head over heels
trying to decipher
the information on
that manframe.

It's protection
looks
impressive.

even though
it's my own
country.....

I have to
disappear before
they realize I am
an Arena Spy.

It's all thanks
to you that
it went so
well.

I can't
help it.
It's not
like I have
a choice.

What's
with the
gloom,
Bolt?

This is a
dastardful
job.

are those
that play with
people's heart.

The ones
I can't forgive
the most....

I told you
I wasn't
gonna
forgive you.

she should be
at some resort
in the South...

that has been
our way,
but...

to Deceive
the enemy,
you must
first deceive
yourself and
those close
to you.

...you can
say that...

A parody
of solace!

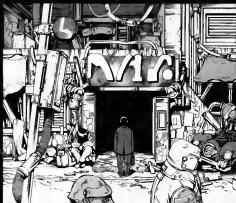

She is more
of a pro at
this than we
are.

it's been a
year since
that day...

ACT-61 MY ADVENTURE

Find something else.

Sorry, but this is not a job for amateurs like you.

I'll do anything! Anything you need help with!

Please! Let me get on that ship!

Bossman, I'll look after this guy.

Ricky, do you know what you are talking about?

Everything
around me
became bland
and useless.

When I realize
what the
rest of my life
will be like,

I will never
have the
opportunity to
get ahead in
my company.

It is a monster
that can absorb
its surrounding
metal into its
own body.

The weapon
this country's
army was secretly
developing has
seriously
malfunctioned.

Our mission
is to destroy
its central
processing
nucleus.

—
—
we're going
in there!

It's not only
the challenges
that can
have
adventures.

I know

So...
I haven't
have my
own
adventures
yet...

L: I'll get my
own adventures
yet...

an explorer
isn't just a
job...

You can quit
if you don't
like it.

You're
transferred
to another
division.

What did you say?

Rack J
Rack!

He's dead, get him off, just bury him somewhere or something.

This is to lighten the load, we have more than enough cargo to transport.

He died taking care of you peoples' need

Cargol
He's no better than cargo?

What the hell do you think explosives are!

ACT-62 LAST
ADVENTURE

Having
you as an
opponent
won't be
fun at all

He had to
hand-pick a
diamond from
that mountain.

If a man wanted
to propose to
a woman...

Hard, do you
still remember
the tale of this
town?

While I distract
defeat the monsters,
the men will go
get their
diamonds.

ah
yes.

Of course
I remember.
And because that
mountain used to
be monsters nesting
grounds, men all
over town asked
you for help.

And I was
happy for
them.

Those that
brought back a
diamond got
to marry the
one he loves

I feel like
a CUPID
at those
times.

Besides Never
Failing at
Anything—

You even gave
most of the
children their names.

The
Genius
bookerya.
Nick.
You were
our
idol.

They even
took away
the bridge.

Besides
eradicating
all the
monsters,
they
also
abolished
the town's
tradition.

Enterprisers
have always
wanted to
move these
mountains.

this is
essentially
illegal
entry.

So
—
—

But how are
we gonna get
across?

Oh—
OY!

Just
what I
hoped
for.
Let's
do
this.

Isn't that
right?
Bob.

Besides,
fighting
against
him is
useless

He
has
good
weak
ethics.

You don't
need to
fight him.
Nick.

Looks like
something
worse than
monsters
has appeared.

Don't
pretend
too
much.

You bastard,
you couldn't
have held
back?
You're fighting
an old man!

Don't mess me around!

You said that your life was a waste....

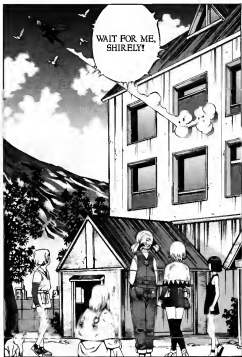

© 2000, by J. Edgar

Wouldn't have
guessed I'd see
you again here
in our
hometown...
How
long has
it been
already!

I was here
for work.

I'll be
leaving
soon.

Report
this to
the chief.

khed
She hired

My husband has
retired from the business
for 5 years.

Gary's
last job

cause he's
been afflicted
with an incurable
disease.

Hard,
this is your
first time to
meet gary.
right?

Even if I
had wanted
to introduce
you two, you
had already
left town

dameyo

Hard

My father is
a bookworm...

Don't you
like my
song?

He wants you
to marry an
explorer with
real strength!

Someone like
that doesn't
exist.

And he won't
let me marry
anyone other
than a strong
explorer...
you
know
that.

If you are
serious with
me...

...yes.

Say that
you'll become
a bombcase
FOR ME.

Rachel...
even if I
couldn't
become
one...

we can
still get
married

so because
of that
he knew of
my existence.

and he hurried
to get you married
off to someone
else.

I under-
estimated
your father

I was
never a
match for
him.

OF
course
—
Have you
ever
doubted
me?

But I
was very
happy—
when I knew
that you left
town to be
a bushyaro
—

You were a
VERY popular
musician
though!

Yes,
you don't
have to
worry about
Gary at
all!

now
he he
he!

The Corpse
of his wife
and child.

but before
he dies,
I have
something
to show him.

He doesn't
have long
to live
anyways.

STAY
CLOSE
TO ME
!

Looks like
you're their
real target
—

Found
them!
Over
there!

...A CITY
THE
DREAM
DIDN'T
BECOME
REALITY.

THIS
REMINDED
OF A DREAM
I HAD...

THE DREAM
WAS TO RUN
AWAY WITH
YOU AND
START A
NEW LIFE
TOGETHER...

I WAS THE
ONE THAT
DIDN'T RUN
AWAY....

YOU
DON'T
HAVE TO
SAY
SORRY

SUMANA

I AM
NOT SO
NOBLE
AT ALL

DON'T
SAY
THAT

AA... BECAUSE
YOU ARE THE
SORT OF GIRL
WHO
WOULDN'T
HAVE RUN
FROM ANY-
THING.

That's
right,
you're just a
simple-minded
explorer.

I know.

I'm always
so naive.

It can draw its
target into the
Event Horizon
and into another
dimension.

This uses the
same animation
as the TR-35...
a form of
DARK MATTER.

I can just use
this to suck
you and that
explosion into
an alternate
universe.

It's meaningless
for you to
explode that.

This is
GARY's
Welcome
Present.

U....
OH
SHITTT
!!

HARD

That's
right

mmm

Has
gone.

He has
the same
name as
I do.

That
man.

Okay
then.

What are your
next plans?
Mind if I
join you.

A
HA
HAH
!

Sorry, but I
don't need
help from
nave explorers.

ACT-64

16 Years Old

What is that?

After you've grown up

when you're
18 then we'll
let you see
what's inside.

It's a safe,
Mary.

We put all
our treasures
there.

Papa,
Mama...

We'll tell
you
someday.

What about
the key?

7

um,
fine.

Pay
first.

I'll go with
you if you
pay me
extra.

But I don't
like being
with someone
not older
than me.

どーもー

do
mo

Thank you

Papa and Mama
loved their
work more than
they loved
me.

Working like
a madman
died right
before she
died...

but she
too, died
two years
ago...

Mama
married
Allard
after that,

I wish I
can go back
to those days...
when I was
a baby...

to stay all day long
in Mama's arms...
to sit on Papa's
knee when he's
playing chess...

They
weren't
parents
at all.

WE'RE
WORKING!
DON'T
BOther
US!

That has always
been my one
and only wish

Is it
because
you think
I'm just
a kid?

I thought you
wanted me
to do that,
well?

Now's
not the
time

What's
HOLD'
me?

I was
always
lonely
—
always
cold
—

What
work?

It's because
I'm working.

I know it
wouldn't
be.

Your father
hired me to
protect you.

for
how
long
?
forever
?

...so
cold

No one
would've
been willing
to protect me
... forever...

um...
After you finish
this job...

Can I
GO
with
you?

Even if
it is just
part of
your job.

Really?
Thanks.

words look like a game to

—
suddenly

So I
HAVE to
go with
you.

Because
You already
paid for
me.

No
problem.

That
would be
expensive.

Are you
willing to
protect me
— forever?

I'm going to
love you.

That guy
wouldn't
lift a finger
for you if
you don't have
money.

ehh!

YAH
BOLT!

Today
is the
day I'm
getting
it all
back!

Do you
KNOW
how much
money
I spent on
your parents
!

RIGHT

Right?

Because all
you ever did
was interfere
with their
work!

Just so
you know,
your parents
regretted
ever having
you.

AND So, they
got a lot of work
done for me.

You know
something
dad?
I was the one
that supplied
them with

expensive
designer drugs!

The drug that can
make you crazy
if you stop
working!

No...
GET
AWAY!

Id never
thought that
they would
work to their
death for
me though!
muhahaha!

ENOUGH!
JUST OPEN
THE ~~SAFETY~~
SAFE!

Then... then...
Papa and Mama
DIED because
of YOU...!

I told you
already, it's
because
Your
FATHER
hired me
to protect
you.

Shelena

Shelena

Shelena

By the time
you're 16, you
should be able
to have a good
game of chess
with us, right?

I can't
play chess
when
I'm the
only one
left...

You
promised

.....
You said that
you would
have a "GO"
with me.
Right?

ACT-65 ふたり組
TWO PERSON TEAM

I can't keep letting you pay for all the expenses.

It can't be helped!

You're even taking jobs like that?

haha
hah!

It was work.
I had to find a cat.

But don't get the wrong idea,

Warden,
you're such a gentleman.

That is
all there is
to it.

The reason
I'm traveling
with you,
is so that you can
be a housewife
that's on par
with me some
day.

Hyu
ha
ha
ha!
You
two
are
finally
back!

Why Bolt...

I asked him to come!
I need his help.

BOLT

Because I'm
Not Impressed
with You!

So how're
you gonna
find out
where?

The job this
time is to
find out where
it is and
destroy it and its
relevant data!

But I still
don't know
where the
WORKSHOP
IS exactly...

If it's a success,
the government
is willing to
pay a very
handsome
sum!

Recently,
a new drug
called
FLATLINE
is all the
rage among
young
people.

Flood
of it!

I've already
found out
where the
factory making
the drug is.

—? How come you are so nice to me?

Are you in Love with Ma?

Don't put yourself in danger like that.

No matter how stupid, he's still a man, you don't know what he will/can do to you...

Yeah... I AM

BOY

No such thing at all.

—? this NOT a Good time?

You know
my
principles

Why Are
You Laughing
!

Ahhhhhhhh
Are you serious?
or just being
a brat?

I
wouldn't
bet on
it.

It's obvious
that Masol is
the stronger
of the two!

Take away scene

I'm putting
10 thousand
lades on
Masol.

Really?
Care to have
a little wager?

It will be such
a bother to me
if there's anything
more than just
conversations
with these
I work with.

A
bother
—

That's why
I said this
is such a
bother!

But I'm not saying
this to you as a
brother, I'm
as Love with you
AS A MAN!

Think

Nah

You went
against that,
are you?

He's just
childish.
That's what!

It might be
nice if Warren
is as cute and
to the point as
you are.

But.....

President, you're a bad boy... You're the one Yeah That's right No

I'm not saying
this as a
housewife,
...but AS
A MOTHER!

I
Wonder how
long you
can go without
it!

'FLATLINE'
has an unusually
strong
addictive.

Its in the
red Building
from the West,
in the basement
near the...

Fighting
off an
addiction is
no problem,
no matter
how painful
it will be.

As long as
the
WorkShop
is destroyed.

You will
never find
out it is,
this factory
complex
is huge.

The workshop
is THERE.

How did
you find
out?

ahh
—

he
HO
HAH
—

MUWA
HAAHA
HAAHA
HAHAH
!

This BET
IS MINE!

Oy! Did you
hear that,
BOLT!

I was
just
guessing!

How
regretful.

eh...
I'm
overjoyed.

But... um...
well...

If you snap up,
I may not think about
changing my
principles.

I thought
you weren't
gonna team
up with me
anymore.

I know
that Masal
is the
stronger one
and I'll
pay up.

HYA
HA
HA
HA !

HAVE YOU
GONE MAD ?

haha ha.
why are YOU
being SHY?

Come on,
baby, give
me some
loving...
